Dear Rishabh,

We have received your presentation for the campaign you are running on milaap.org for the support of Ankit Kumar, a young and bright talent in unfolding his true potential and helping him in overcoming the financial limitations faced by this bright talent.

Please consider accepting our contribution of Rs. 32000/- (Thirty Two Thousand Only) towards this noble cause and we hope that this would help the student in paying his tuition fee in a reputed engineering college i.e Neta Ji Subhas University of Technology and give him the opportunity he deserves and further achieving his dreams.

We appreciate your efforts towards running the campaign for Mr. Ankit Kumar which is unprecedented in nature and required lot of will and determination.

We wish you good luck for your campaign.

Sincerely,

Anil Kanthwal
