Subject: Letter of appreciation and our contribution towards your campaign to raise funds for the deprived student

Dear Rishabh,

This is in reference to your email communication to our Chief Executive Officer and discussion regarding the subject mentioned above, we are glad to see how young mindset like yourself is working tirelessly to make the course right for Mr. Ankit Kumar. Our board was thrilled to see how the young India is collaborating and contributing towards nation building. Your effort resonates with one of our objectives as a company. We at Lokdhun, do give the opportunities to less resourceful but talented artists and creators in India in their respective regional languages promoting vernacular talents in India in the field of music & entertainment.

Based on the proposal submitted by yourself, our board has taken a unanimous decision to join hands with your noble cause and has decided to donate a sum of Rs. 1,12,000/- required by Mr. Ankit Kumar in securing the seat in the one of the pioneer Engineering college in Delhi. We would be glad to see this young talent able to meet his career objective and positively contribute towards nation building.

The said amount has been transferred into the bank accounts of **Mr. Mankeshwar Prasad**, father of Mr. Ankit Kumar in his State Bank of India saving bank Account number: 10137896563 on 2nd November 2021.

We wish him good luck for all his future endeavours and much appreciate your sensitiveness, dedication and honest approach towards one such noble cause. All the best for your fundraiser program and initiatives taken by you.
