Subject: Required support in raising funds for Mid-day meal campaign for Nayasavera Foundation School Children.

Dear Mr. Sharma,

Nayasavera foundation has been operational with a primary objective of helping underprivileged children from the poorest of the human economic pyramid. Naya Savera foundation is thankful to you for providing warmth in this cruel winter by raising funds for blankets. We are grateful of volunteers like yourself who has been supporting us on various objectives with respect to serving the underprivileged children mentored by Naya Savera Foundation.

Naya Savera Foundation has adopted some of the mission's critical projects over which we seek your assistance and support. One such mission mode project for us has been to impart education to under privileged children of our society. The beneficiary of this project has been the most under served class of our society. The challenges with these children are that apart from being under educated, they have been severely under nourished as well. Since the spread of Covid 19 is slowing down & Government has lifted the Covid 19 restrictions, we are running a campaign in slum & other areas to educate parents to send their children for education. We use mid day meal program to help and motivate them to come to school. Needless to mention, hunger will not let a child focus on studies and therefore we are committed to be able to serve each child atleast one meal a day, it should help them stay motivated & come to school to become knowledgeable and responsible citizens.

It is therefore Nayasavera foundation would like to forward our request to some of our patrons who has been our tremendous support over the period of time. We have been serving food to children with whatever is there in our means, however that is not enough to ensure nutritious meals to all hundred students for the week and therefore we would request support from you in helping us raise funds for these under privileged children.

Our foundation is committed towards these underprivileged school children whose parents are working as labour and few of them do not have the financial means to get even one day meal. In such challenging situation, Naya Savera has put forward their foot to ensure atleast a meal a day to such students. We intend to raise funds for our Mid-Day meal campaign. We are looking forward to your support in making this a reality.

Yours Sincerely,

Subrat Kumar Das
