**Subject: Thanks for your support to Aravindam India students Mid-Day Meal – Progress Report.**

Dear Mr. Sharma,

With the mission to eradicate the curse of hunger among children, your initiative OneStepForward had raised funds to the tune of INR 2,08,000/- to support Aravindam India's underprivileged students by ensuring wholesome nutrition during their skills development & enhancement program.

With your fundraising initiative, we are firmly on the path to distribute ten thousand meals to these most deserving children with bare resources. Your support is a great encouragement and a much-needed boost to the confidence, and nutrition of these kids. A healthy mind resides in a healthy body, and your initiative, perseverance & dedication has helped them achieve the balance that has been denied to them by the station of their birth.

Your support will help these children to dream and to achieve, pulling them out of poverty, rather than languish in a life of unskilled labour. Please accept our sincere thanks on behalf of all children and the entire team at Aravindam India, Gurukul. We are all highly touched by your efforts.

Best Regards,
